BRAND OVERVIEW

Brand

Spotify

Industry

Music Streaming

Founded

2006

Headquarters

Stockholm

Key Services

- Music Streaming
- Podcasts
- Audiobooks

Mission

Provide personalized audio experiences through music and podcasts.

WHAT SPOTIFY DOES WELL

Personalization

Spotify delivers personalized recommendations through Discover Weekly, Daily Mix, and AI-powered suggestions.

Social Media Presence

Spotify creates relatable content that connects with users through music trends and pop culture.

Spotify Wrapped

Spotify Wrapped encourages users to share their listening habits, generating massive organic reach.

User Experience

A clean interface and easy navigation help users discover and enjoy content effortlessly.

SOCIAL MEDIA ANALYSIS

SPOTIFY
BLEND

SPOTIFY
WRAPPED

SOCIAL MEDIA PRESENCE

Key Observations:

- ✓ Consistent branding
- ✓ Relatable content
- ✓ Strong audience engagement

KEY FINDINGS & RECOMMENDATIONS

FINDINGS	OBSERVATION	RECOMMENDATION
Student Audience Opportunity	Spotify offers student plans but has limited student-focused campaigns throughout the year.	Launch a Study Beats Challenge during exam season.
Regional Music Growth	Regional music consumption in India continues to grow rapidly.	Create regional playlist campaigns highlighting local artists.
Interactive Engagement	Interactive content can further increase audience participation.	Introduce weekly polls, quizzes, and music challenges.

MARKETING CAMPAIGN PROPOSAL

Campaign Name

**STUDY BEATS
CHALLENGE**

Target Audience

**College students
18–25 years old**

Content Ideas

- **Study Playlist Post**
- **Productivity Reel**
- **Story Poll**
- **Student Success Story**

**Expected
Outcome**

- **Higher engagement**
- **Increased content sharing**
- **Better student awareness**
- **Stronger brand connection**

CONCLUSION

Spotify has successfully established itself as a leading music streaming platform through personalization, strong branding, and audience engagement.

By introducing student-focused campaigns and increasing interactive content, Spotify can further strengthen its relationship with young audiences.

Thank you
